Use Your Lures - We'll Float 'Em & Make Fish Strike 'Em

Floatzilla terminal tackle products are ground breaking attachments for a wide variety of soft plastic lures. Both simple and easy to use, Floatzilla attachments bring otherwise static lures to life. Floatzilla products have been tested by pros, and they've never used a product so capable of increasing bites and strikes. Floatzillas seamlessly blend into soft plastic lures, increasing performance in a game-changing way. Fish love it, the pros love it, and you'll love it too!
